

Pilbara Access provides scaffolding, rigging, rope access and other services including, but not limited to design and inspection. We provide high quality materials, skilled labour and project management personnel.

As a primary obligation, Pilbara Access is committed to meeting the needs and expectations of our clients by the capable implementation of the Quality Management System.

This is achieved by:

- Complying with statutory obligations, standards, specifications and codes of practice relevant to quality management.
- Maintaining, monitoring, reviewing, auditing and continually improving the Quality Management System consistent with certification requirements of AS/NZS ISO 9001.
- Providing sufficient and suitable resources to implement and maintain the Quality Management System.
- Engaging suitably qualified, skilled, and experienced people.
- Educating and training in order to continually improve the skills of our people, awareness and knowledge of quality issues and practices.
- Identifying, reporting, investigating and resolving all non-conformances and taking action to prevent recurrence.
- Establishing, reviewing and communicating quality objectives and taking action to improve outcomes.
